

CENTRAL
YOUR PEOPLE. OUR SOLUTIONS

Who is HR Central For?

HR Central is designed for any small, medium or franchise business. HR Central provide tailored software and HR advice for any industry, Australia-wide. We refer to this combination as an HR Central Subscription.

However, if we were to specify, we would say 5 – 100 people businesses, would be our ideal target market.

Some of the type of businesses we help are:

- + Health Care
- + Child Care
- + Professional Services
- + Education
- + Fitness Industry
- + Hospitality
- + Retail
- + Construction
- + Hairdressing

Our subscription works best for those businesses who work in the cloud and understand the benefits of streamlining their administrative processes. In addition the HR Central subscription is a useful tool for any business wishing to promote best practice, minimise paper storage and have immediate access to employee documents including licences and certifications, contracts, leave accruals and performance reporting.

The HR Central Partner Program

HR Central is also designed as a support to Bookkeepers and Accountants who require HR support for either when they process payroll, or when they recognise that one of their clients is in need of HR advice. Partners have unlimited direct access to an HR Specialist and often the questions or support they require include:

- + Award interpretation
- + Classification of award
- + Classification of a role (employee v casual v contractor)
- + Entitlements
- + Performance Management
- + Dispute Resolution
- + Termination Payouts
